24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

Dear Colleagues and Friends,

As Maxillofacial surgeons, we save life by resecting malignancies, restore function by reconstructing bones and soft tissues, give hope by removing disfigurements, and produce happiness by bringing out the beauty of faces - we can be proud to say that we are the face of surgery!

But will we be able to perpetuate the successful development of our specialty in the future?

FACING THE FUTURE - this will be the topic of the 24th EACMFS Congress, and with gratitude for holding presidency and devoted to our Association, I cordially invite you to Munich in September 2018. Together, we will put another milestone on the way to success, focussing on the most important instrument to let grow and further improve our Association: multiplying knowledge by sharing it with each other. In Munich, everybody will find sessions, topics, courses and joint meetings they are interested in, and - following the tradition of our Congresses - every clinician and scientist will have the chance to make a contribution. Well structured and highly didactic lectures and workshops will be given about surgical techniques, cadaver courses will be offered for surgical training, guidelines on the most important issues of our specialty will be presented and discussed at special round tables and symposia, and the foundation of an European study group for oncologic research in Maxillofacial surgery is planned as an aim of the Congress.

Although there will be no limitation to the range of topics, the selection of papers will be made according to scientific quality and clinical impact. A major aspect of our meeting will be to consider the teaching character in each session, based on the best available evidence and the vast experience of key note speakers from all over the world. Already now, leading representatives have been attracted who will communicate their valuable knowledge and ideas about trend setting developments in the future. The Congress will also be a platform for guest societies, who are invited to contribute to the programme with high quality papers.

Munich is an international, cosmopolitan metropolis and situated in the midst of a beautiful pre-alpine countryside with an excellent infrastructure and one of the largest airports in Europe. The venue of the Congress will be The Gasteig, centrally located with excellent public transport access and in walking distance from the river Isar and many sights, restaurants and the beautiful old town of Munich. Thanks to an excellent cooperation of our PCO Torres Pardo with the local Co-PCO boeld communication, the Congress will be perfectly organised. Room reservations at affordable rates have already been made in attractive hotels, all located directly nearby, and an exiting social programme has already been put together: A Congress opening with the Munich Philharmonic Orchestra, courtesy of The Gasteig, the Trainees networking event at one of the beaches, as well as separate events not included in the Congress activities: a traditional float tour down the river Isar followed by a typical Bavarian evening in the famous Hofbräuhaus, and a festive dinner in the old City Hall. And for the sportive colleagues: a run through "Englischer Garten". At the end of the Congress, a special highlight is waiting for those who want to extend their stay in Munich a little bit: the World's largest fair, the Munich Oktoberfest will start the day after the end of the Congress.

I am convinced, the program will provide you with new information, a better knowledge in the field of your interest, and ideas how to improve your results - and it will be a stimulus to further harmonise our medical standards and to successfully compete with our neighbour disciplines. Exchange your expertise with more than 1.500 specialists in CMF Surgery and mark your calendar:

**EACMFS, 18-21 September 2018:
Facing the future - together in Munich!**

Yours,

K.-D. Wolff

President EACMFS Munich 2018

24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

1. GENERAL INFORMATION

Language

The official language of the congress is English.
No simultaneous translation will be provided.

Registration & Abstract Submission

Only through the Congress website: www.eacmfs2018.com
and the Association website: www.eacmfs.org

Thursday 20 September 2018
(not included in the registration fee)

Accommodation Details

Accommodation details are available at the website
and further announcements.

Smoking

EACMFS 2018 is a non smoking congress.

Attendance

The Congress usually attracts between 1.500 and 1.800
people from all over Europe and from all over the World.

Name Badges

Participants and accompanying persons are obliged to wear
the official Congress name badges on all Congress
occasions.

Exhibition

Access to the exhibition is free for registered participants.
The exhibition will be open on 18 - 21 September 2018
during the congress hours.

Lunch and Refreshments

Lunches are included in the participants' registration fee.
Coffee, tea will be available in the exhibition area during
the breaks.

Certificate of Attendance

Participants will receive a certificate of attendance at the
Congress.

Liability

By registering for the Congress and/or by participating in the
exhibition joined to the Congress, participants and exhibitors
agree that EACMFS, the Organising Committee or the
Congress Secretariat do not assume any responsibility for
damage or injuries to persons or property during the Congress.
Participants and exhibitors are advised to organise their own
health, travel and personal insurances.

Letter of Invitation

Upon request, the Chairman of the Local Organising Commit-
tee will be pleased to send a personal letter of invitation so
as to enable participants to obtain supporting funds or visas
for attending the Congress. These invitation letters cannot be
considered as an offer of financial support by the organisers.

24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

6. CONGRESS VENUE

GASTEIG MUNICH

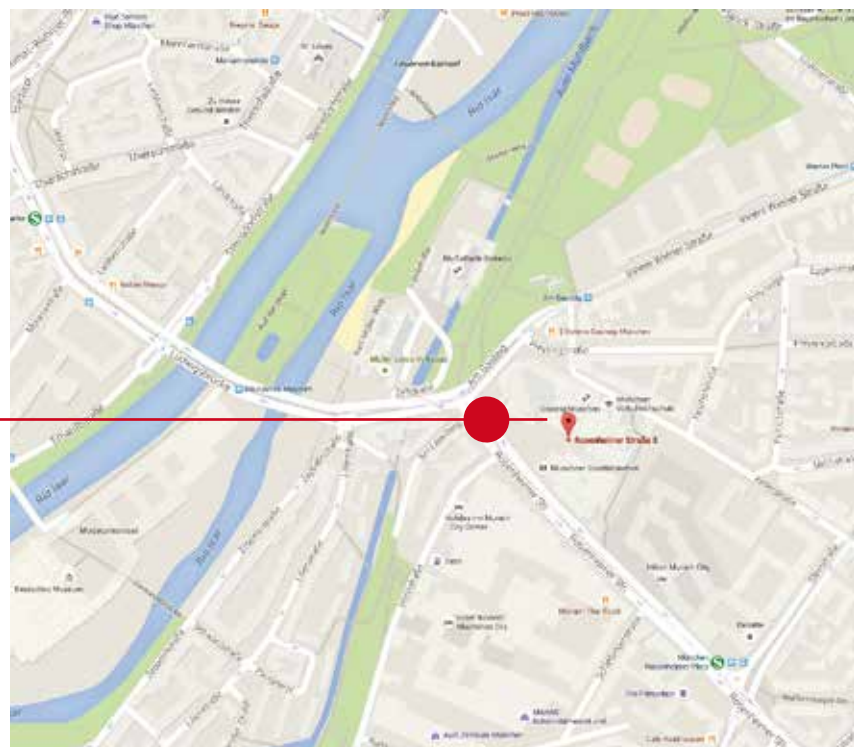

Rosenheimer Str. 5,
81667 München. Germany

Adapted to your specific requirements, our house offers a broad range of different halls and spaces. In addition to the Philharmonie (Philharmonic Hall), the Carl-Orff-Saal (Carl Orff Hall) and the Kleiner Konzertsaal (Small Concert Hall), we offer you the Black Box, the Carl-Amery-Saal (Carl Amery Hall, former Library Lecture Hall/Vortragssaal der Bibliothek) as well as a number of smaller halls.

Naturally, we have all the necessary technology at our disposal - from modern stage technology to sophisticated lighting systems and complete recording studios. You can look forward to large presentation spaces, fascinating light installations and, in particular, a competent team ready to accommodate for your needs.

Located next to the Isar with its own light rail and suburban train connections, easy parking and spacious hotels in the neighbourhood, the Gasteig offers excellent locational advantages.

Friday, 21 September - 08.00 - 16.30

8.4 Delivery address

Gasteig München GmbH

Kellerstr. 4, 81667 München

(see access map on page 21)

8.5 Delivery/handling of exhibits

Exhibitors who arrange for goods to be delivered to their stand by courier MUST ensure that they have a nominated representative to receive them. The Organiser will NOT sign for any deliveries made to the Congress centre. Please make sure that all the equipment is delivered to your booth by your chosen forwarder or courier. The Organiser strongly advise that you do not leave items unattended on stands at any time during set-up and dismantling period and during the opening hours. Whilst every precaution is taken to protect your property during the event, the Organiser is not responsible for any loss or damage.

8.6 Exhibition hall specifications

- The booths maximum construction height is **3 metres**.
- Access Maximum size of the corridor from the lift to the exhibition area is **1.10 m (europallet size)**. See lift dimensions on page 22. Please inform in advance if any machine or big equipment will be sent to the congress.

24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

8. EXHIBITION & LOGISTIC INFORMATION

8.7 Unloading and loading

During the build, up and dismantling of stands, trucks and vans may park for unloading and loading purposes only. For security reasons and to guarantee smooth traffic, assembly and loading cars are to be parked outside the loading areas during the assembly and dismantling period. No more than two heavy trucks can stay simultaneously in front of the Gasteig entrance.

We strongly recommend that each company brings their own transpallet and downloading equipment.

8.8 Car parks

Parking is not permitted in the loading bay areas except for loading and unloading during build-up and breakdown.

8.9 Packing materials

Exhibitors are wholly responsible for the delivery of crates and other packages to their booths and also for their removal. Packing materials are to be kept outside the halls and loading yards. During the stand assembly and dismantling periods, the transport paths are to be kept free as far as possible, transport and packing material and other equipment which is no longer needed is to be removed immediately from the halls. The exhibitors are requested to make sure that goods are adequately packed when being returned to the country of origin.

8.10 Storage

All sponsors and exhibitors need to make their own arrangements for storage of spare stock and packing materials, as it is not possible to provide a central storage at the venue for big stuff. A small room will be available for storage literature material and other small parcels.

Reception of material is allowed from September 14, please indicate on the boxes:

Gasteig München GmbH
REF. EACMFS Congress
Exhibitor`s Name, Booth Number
Kellerstr. 4,
81667 München

For storage of empty crates and other big stuff during the congress, the arrangements with a forwarding agent is highly recommended. No crates or other kind of boxes can remain at the congress centre after the dismantle.

8.11 Electrical power

Send your electrical power order according to your booth needs before July 27 to: a.marzo@torresparado.com

You can order:

Power supply 16A: 100 €

Power supply 32A : 125 €

An invoice will be issue according to your request.

8.12 Stand cleaning and security

Stand cleaning and security can be ordered at extra charge:

Guard: 29.50 € per person per hour

Cleaning of the booth: 3 € per sqm per day

24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

8. EXHIBITION & LOGISTIC INFORMATION

8.13. Additional equipment

24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

11. OTHER INFORMATION

11.1 Literature distribution

We would ask you to restrict any literature distribution to the confines of your own stand.

11.2 Noise and disturbance

Exhibitors will avoid public address, audio, video presentations or background music that can disturb conversation and work in the adjacent booths.

11.3 Liability

By registering for the Congress and/or by participating in the exhibition joined to the Congress, participants and exhibitors agree that EACMFS, the Organising Committee or the PCO do not assume any responsibility for damage or injuries to persons or property during the Congress.

Participants and exhibitors are advised to organize their own health, travel and personal insurances.

12. GASTEIG GUIDELINES FOR EXHIBITION STAND BUILDERS AND EXHIBITORS

At Gasteig all exit routes lead through the halls to the lobby. That's why because of applicable laws there are tightened restrictions concerning the exhibition's setup. Please consider the following guidelines. In case of any doubts please contact Gasteig Munich GmbH, event management beforehand **Ms. Antje Looks Jorge** (Tel: +49 (89) 48098-815 - A.Looksjorge@gasteig.de)

- 1) Only the approved space can be used for the setup and for placing furniture. Please keep the fire load as low as possible. It is only allowed to use non-combustible building materials (A1 or A2 by DIN 4102 or DIN EN 13501).
- 2) To a limited extent is the Gasteig Munich GmbH able to approve - in exceptional well reasoned cases - building materials of the class B1, if by no later than six weeks before the event a written verification proves the low flammability by
 - DIN 4102 Part 1 for classified building materials,
 - DIN 4102 Part 2, class B1, confirmed by a verified testing institute or
 - DIN EN 13501 Part 1, at least class C-s3,d2, confirmed by a verified testing institute.
- 3) If any ground coverings (carpets, chipboards, wooden or synthetic boards) are used a note of authorization has to be presented to the Gasteig Munich GmbH before the setup.
- 4) If the effectiveness of the ceiling's sprinklers is affected by any booth covering, horizontally placed sails, asset ceilings etc, additional sprinklers have to be placed under the concerning setup.

Additional sprinklers can be spared if,

- the cover's width is 1 m or less
- the cover extensively opens itself by max 70°C above a fuse
- the cover has low flammability and is approved by the VdS (German association of damage insurers) to be horizontally build in beneath the sprinkler units
- the cover is a ceiling grid with an opening size of 1x1 cm
- if sprinkler net is used

24th EACMFS CONGRESS

18-21 September 2018
MUNICH - GERMANY

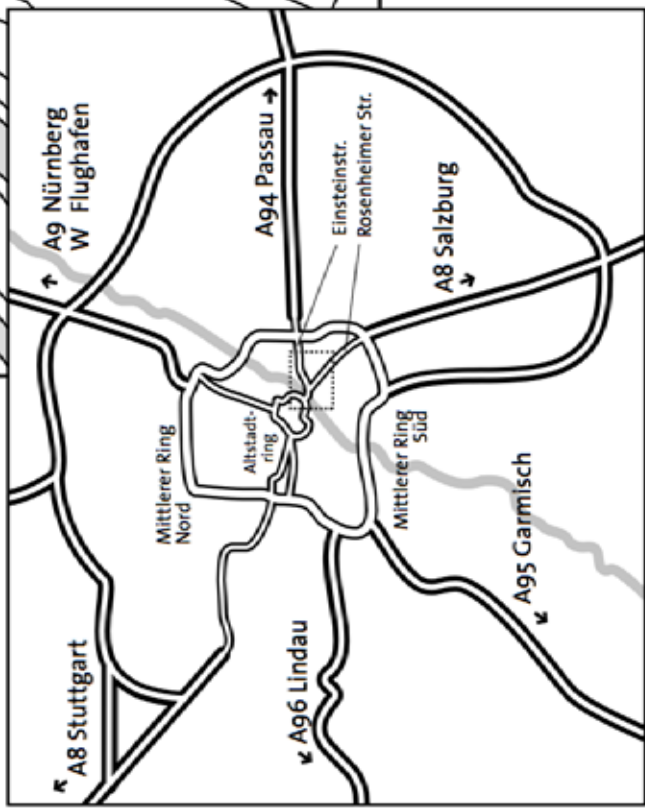

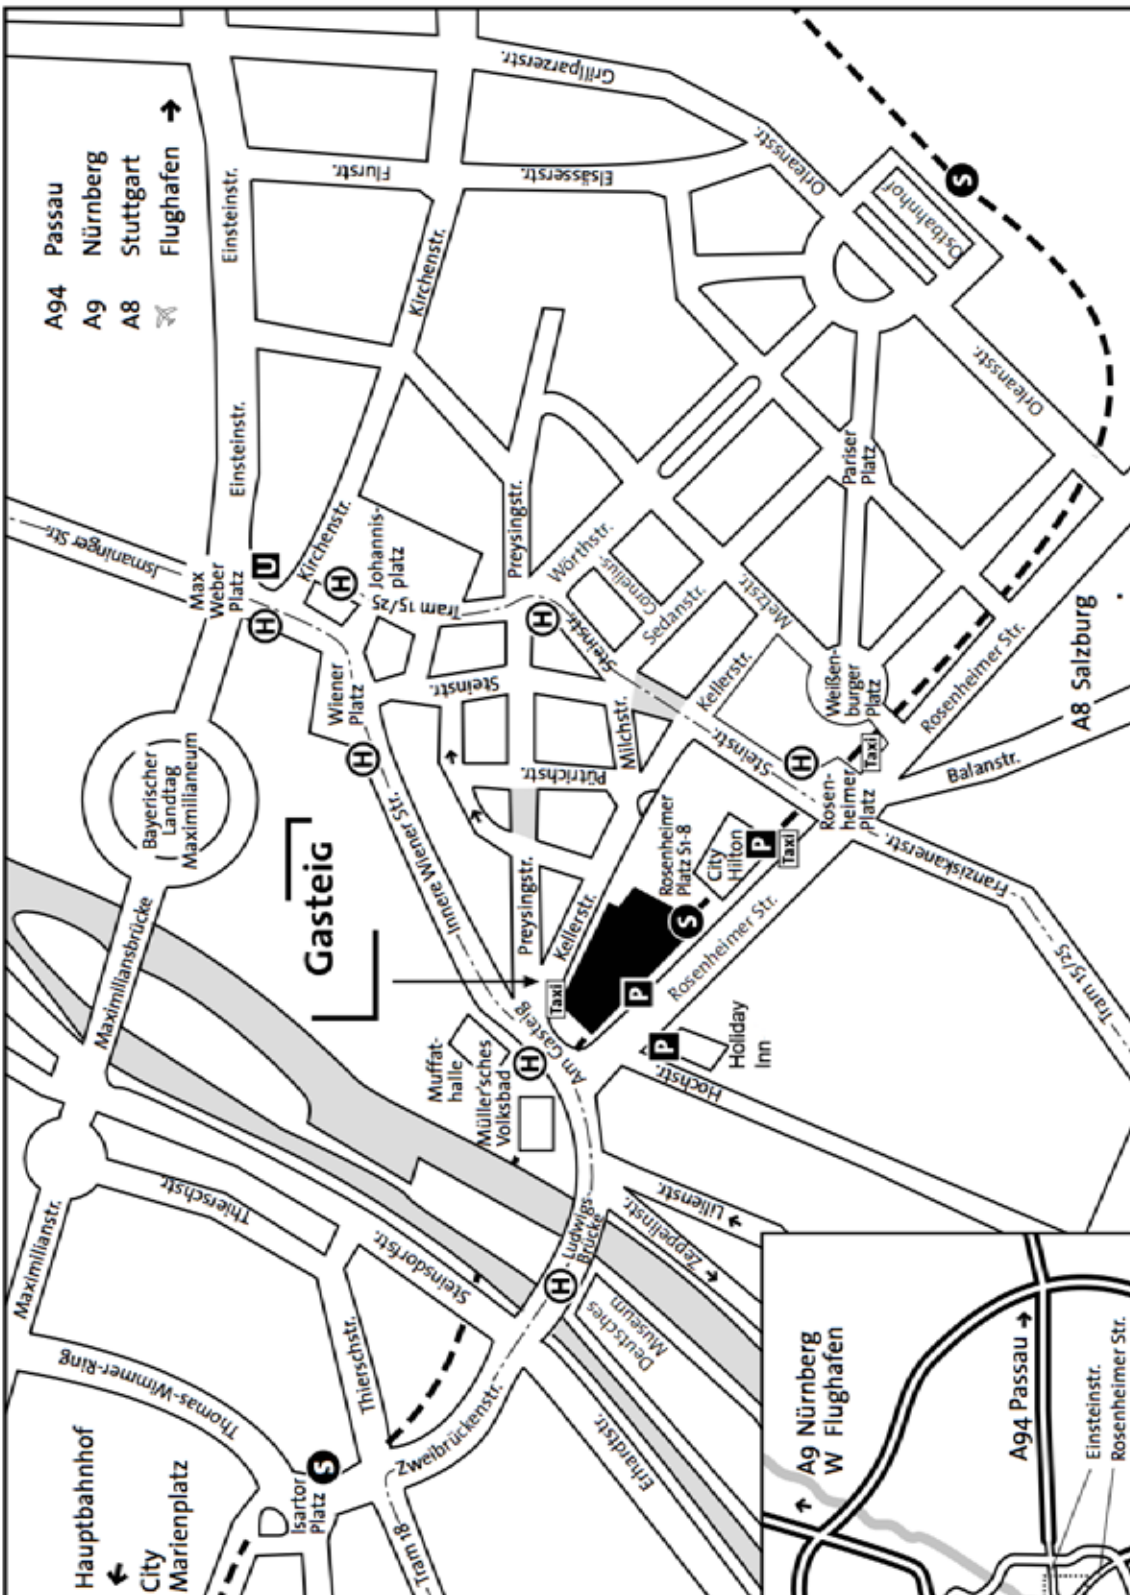

12. GASTEIG GUIDELINES FOR EXHIBITION STAND BUILDERS AND EXHIBITORS

- 5) Any prospect material in the booth or it's environment can only be stored in closable metal containers. Other than that is it allowed to store the maximal daily amount in the provided display stands.
 - 6) At every booth a fire extinguisher (water or foam) filled with at least 4kg extinguishing agent has to be available. The booth staff has to be acquainted with the handling of the extinguisher.
 - 7) The existing fire doors, fire extinguishers and manual call points must not be obstructed or made non-accessible
 - 8) The range of the fire and smoke control doors must not be influenced by cable laying.
 - 9) Open Fire, ignition sources and all actions which can cause a fire are strictly prohibited.
 - 10) Gluing materials on the lobby's carpets is strictly prohibited.
 - 11) If you bring you own electronic devices (coffee machine, refrigerator, power cord, multiple socket), please notice, that theses appliances can only be used with an current audit evidence for [HYPERLINK "https://www.dict.cc/englisch-deutsch/portable.html"](https://www.dict.cc/englisch-deutsch/portable.html) portable resources (according to DIN VDE 0701 - 0702).
- All booth & table devices must be placed on top of fireproofed base (for example: Stone, Metal).
- If an evidence is missing, you will have the chance of getting the appropriate proof on site by the Gasteig GmbH. Please notice, that this extra service will be charged.

Any changes or alterations of the guidelines above have to be arranged with the Gasteig Munich GmbH.
