27th EACMFS CONGRESS

17-20 September 2024

PreCongress day: 16 September

ROME - ITALY

WELCOME TO ROME

On behalf of the EACMFS and the Organizing Committee may I say how delighted we are to invite you to the 27th EACMFS Congress to be held in Rome, Italy, on 16-20 September, 2024.

Oral and Cranio-Maxillo-Facial Surgery (OMF & CMF) has a rich history and its evolution has been dramatic as today the Specialty takes the lead among the related disciplines in a fully integrated interdisciplinary patient care system.

The EACMFS has become the most prominent and highly respected professional group for the Specialty in Europe. Additionally, with a high profile in other parts of the World it has been possible to coordinate actions in favour of OMF & CMF at a European and National level in order to advance the standards of care through improved education and training.

The 27th EACMFS Congress in Rome aims to be the premier international forum for research, theory and development related to Oral and Maxillo-Facial Surgery in the forthcoming years.

The five day programme will encompass key note presentations, symposia, masterclasses and free papers as well as offer an exhibition showcasing the most recent products and services available.

Italy has been the cradle of many European cultures, such as the Etruscans and the Romans, later it was the birthplace of the University and of the Renaissance, that began in Tuscany and spread all over Europe.

Italy's capital, Rome, was for centuries the center of western civilization.

The Eternal City was Caput Mundi (Head of the World) in the Roman era, and from its law and liberal arts and sciences radiated to the confines of the vast Empire, which covered the whole of the known western world.

In this century, Rome restored its role of the greatest importance in European history being the seat of the Italian Government, seat of the Christianity for the presence of the Vatican, and one of the most important cultural and artistic centres of the world. The city attracts millions of tourists every year with its imposing architecture of the past and some of the greatest works of art of the Renaissance and the Baroque.

Rome will provide an unforgettable setting for this important event as Europe is a unique blend of cultures and this occasion provides a particular opportunity to share those cultures, benefit from the wealth of education and talent that exists in our countries and above all, join together in a spirit of friendship and cooperation.

The Congress Venue, Rome Convention Center "La Nuvola", is one of the most iconic buildings in the entire City of Rome.

This visionary building by Massimiliano Fuksas was inaugurated on the 29th of October 2016 and since then it has been acknowledged worldwide as a fine example of contemporary aesthetics, characterized by eco-friendly materials and innovative technological solutions.

The project is based on the interaction of three elements: the Case, the Cloud and the Hotel.

The Cloud is undoubtedly the most characteristic architectural element: the structure, with its extraordinary visual effect, floats in a 40-meter-high steel and glass case, 70 and 175 long.

The whole complex is designed to be highly flexible, being able to host events with vastly different characteristics and with a total capacity of almost 8,000 seats.

"La Nuvola" also includes a 4-star hotel built to measure for the needs of the participants (Headquarter Hotel to the Congress).

Our vision for hosting the EACMFS Rome 2024 is based on using the art of the Italian welcome and lifestyle to unite the world of the scientific communities in OMF & CMF.

I look forward to welcoming you all to the Eternal City and to the EACMFS 2024 Congress.

Prof. Manlio Galiè
Congress President

2. DIGITAL OPPORTUNITIES

2.1 ADVERTISING IN THE WEBSITE 3.000€

The congress website is the place for experts to get a full range of news and information on EACMFS 2024!

Benefits of being a supporter of this item include:

- Get unmatched visibility by posting your corporate advertisement on this website!

2.2 THE CONGRESS APP-MAIN SPONSOR 10.000 €

The congress APP will be provided to delegates free of charge. The Mobile App will include the full Conference program, exhibit floorplan including exhibitor biographies as well as general Conference information. Timely updates about Conference program changes or important announcements will be sent through the app via notification alerts.

Benefits of being the supporter of this item include:

- Have your custom graphic/banner displayed on the access page of the congress App.
- Opportunity to have 3 push notifications sent to all delegates during the Conference.
- Be acknowledged with your logo on the website as the Sponsor of the congress App.

2.3 APP - PUSH NOTIFICATION 1.500 € each

Notification posts through the Official Congress APP announcing the sponsored Industry Satellite Symposia, Practical Demos, etc.

Benefits of being the supporter of this item include:

- The easiest way to reach the whole audience in real time, announcing scientific activities held during the Congress.

2.4 APP INSERT 3.000 €

Insertion of promotional material (1 item such as leaflets and brochures), in the participants' Congress APP.

Material should be provided by Supporters and approved by the Congress Organiser.

Benefits of being the supporter of this item include:

- Supporter's product information will be available for all Congress participants

2.5 WIFI 7.500 €

Sponsoring of the WIFI with a company access code.

Benefits of being a supporter of this item:

Get unmatched visibility by using your selected access code to the Wifi connection.

27th EACMFS CONGRESS

17-20 September 2024
PreCongress day: 16 September
ROME - ITALY

3. MARKETING OPPORTUNITIES

3.1 CONFERENCE BAGS 12.000€

Your company logo displayed on the congress bags.

Benefits of being a supporter of this item include:

- High visibility by sponsoring the congress bags, the item that welcomes you to the congress.
