

EACMFS PHOTO-COURSE

Madrid, Wednesday, September 28 th, 2022

This is to announce that EACMFS will perform a course on digital photography during the Madrid Congress. The course will take place at the congress venue on Wednesday, September 28th, starting with a theoretical part from 2pm to 4pm, which will be followed by a practical part from 4.30pm to 6.30pm.

FACULTY

Prof. Cyrille Chossegros, Marseille, France

Prof. Hans-Peter Howaldt, Gießen, Germany

Mr. Dirk Benner, Photographer, Gießen, Germany

Dr. Sebastian Böttger, Consultant of maxillofacial surgery, Gießen, Germany

Dr. Eva Schraml, Assistant surgeon, Gießen, Germany

INITIAL LECTURES WILL COVER:

- General aspects of clinical digital photography
- Standard data set of clinical photography in maxillofacial surgery as published by EACMFS
 - Data-management of clinical photography
- Pearls and pitfalls in clinical photography during daily routine

THE PRACTICAL COURSE CONSISTS OF:

- Hands-on-exercises of extra oral and intraoral photography
- Demonstration of standard set-up for extra oral photography.

The participants will gain relevant practical skills: they will learn and experience the high value of clinical photo documentation, which cannot be more important in any other medical specialty but Oral-and Maxillo-Facial Surgery.

Most colleagues in our specialty might have acknowledged the positive correlation of high quality photographs with excellent clinical and scientific work being observed in keynote lectures or masterclass presentations.

PLEASE JOIN US AT THE PHOTO-COURSE!!

The fee is € 60,- for the theoretical part alone and € 180,- for both parts (lectures and practical unit).

The practical course is limited to 25 participants. They will be allocated on “first come, first serve”- basis.
