

# 29th ESTS MEETING

20 - 22 JUNE 2021

EUROPEAN CONFERENCE ON GENERAL THORACIC SURGERY

INVITED LECTURE | PROF. GIORGIO SCAGLIOTTI

MONDAY 21 JUNE 2021 | 19:05-19:25 h

## THORACIC ONCOLOGY IN POST-COVID-19 PANDEMIC

Prof. Giorgio Scagliotti joined the IASLC Board of Directors in 2015, serving as its President-Elect and then President from 2015-2019. As Editor, he helped create the IASLC reference book, *Thoracic Oncology: The IASLC Multidisciplinary Approach*.

Professor of Medical Oncology at Italy's University of Turin School of Medicine, Dr. Scagliotti is also Chief of Medical Oncology at Turin's San Luigi Gonzaga Hospital's Division of Thoracic Oncology. He serves as a member of the administrative board of the University of Torino as well. Prior to his role as Chief of Medical Oncology, Dr. Scagliotti acted as the Head of the Department of Oncology of the University of Torino and served as the Chairperson of the Postgraduate School in Respiratory Medicine.

Professor Scagliotti focuses his research on translational research and targeted molecular therapies for lung cancer. He is principal investigator in European and international clinical trials, including investigator-initiated studies, and is study coordinator for several trials. He has authored or co-authored more than 300 papers in peer-reviewed journals. Professor Scagliotti earned his medical degree and completed his postgraduate training in respiratory medicine, internal medicine and medical oncology at the University of Turin.
